21. **Payment: Release of payment will be made within 30 days subject to completion of integration and demonstration to the satisfaction of the Project Investigator.**
22. **Enquiry during the course of evaluation not allowed:** After opening the Technical Bid, no enquiry from the bidder(s) shall be entertained during the course of evaluation of the tender till final decision is conveyed to the successful bidder(s). However, the Purchase Committee or its authorized representative may make enquiries/seek clarification from the bidders. In such a case, the bidder must extend full co-operation. The bidders may also be asked to arrange demonstration of the offered items, in a short period of notice.
23. At any time prior to the date of submission of bid, NIT Meghalaya may, for any reason, either of its own or in response to a clarification from a prospective bidder, modify the bidding documents by an amendment / corrigendum. **Any such amendment / corrigendum will be duly notified through the Institute's website only.** Prospective bidders are advised to check the Institute's website every now and then for any amendment / corrigendum. In order to provide reasonable time to take the amendment into account in preparing the bid, NIT Meghalaya may extend the date and time for submission of bids.
24. The acceptance of the quotation will rest solely with the Director, NIT Meghalaya, who in the interest of the Institute is not bound to accept the lowest quotation and reserves the right to himself to reject or partially accept any or all the quotations received without assigning any reasons.
25. **Force Majeure:**

If the performance of the obligation of either party is rendered commercially impossible by any of the events hereafter mentioned that party shall be under no obligation to perform the agreement under order after giving notice of 15 days from the date of such an event in writing to the other party, and the events referred to are as follows:

  - (a) Any law, statute or ordinance, order action or regulations of the Government of India,

- \* Force Measurement.
- \* Energy, Distance Measurement and control.
- \* Variable pressure profile for more accurate Weld Results.
- \* Amplitude Profile to weld Few Semi- Crystalline Materials.
- \* Automatic Saving of last 99999 welding Results.
- \* User can store 50 different Job Settings. (Data set management)
- \* Selectable calibration pulse for Automatic Sonotode Frequency Tuning.
- \* 6 Types of different quality windows
- \* In-built RTC.
- \* Supports 7 different Generators and 5 different Presses.
