**SENATE**  
**(Through item by Circulation)**

**NATIONAL INSTITUTE OF TECHNOLOGY**  
**MEGHALAYA**

**MINUTES**

*Day: Friday*

*Date: 28.06.2024*

*Mode: Approval through item by Circulation*

**Item No. 1: Proposed Provision for Final Year & Passout B.Tech Students Applying to M.Tech Programme at Our Institute.**

The Senate was informed that the many Final year B.Tech students from our institute frequently apply for the M.Tech. programme. Normally, applicants are required to go through the official application process, which includes appearing in an entrance exam and fulfilling other requirements. Currently, the Institute is observing a low enrolment rate in the M.Tech programme, resulting in underutilization of available resources.

To address this issue and encourage students to pursue higher education, the Institute proposes to keep a direct provision without exam for already graduated & graduating B.Tech students from NIT Meghalaya to enrol in our M.Tech programme, subject to the seat availability after CCMT counselling. It is further proposed that the minimum CGPA requirement for these applicants will be 7 CGPA for Gen & OBC category and 6.5 CGPA for SC & ST category.

The Senate discussed that matter through item by circulation and resolved to approve the proposal of the Institute as placed.

**R1/SENATE-XL/24: The Senate **Resolved to Approve** the proposal of the Institute to keep a direct provision without exam for already graduated and graduating B.Tech Students of Institute.**
