Mentor : Role & Responsibilities

As mentors to students, one can adopt the following suggestive strategies or actions so as to improve your relationship with your students. To provide better support and aid in their overall development as a student of this Institution.

1. Use Peer-Peer Mentor System, where students who are either performing better academically or are more involved in social activities can be a mentor to those students who are facing challenges in the same.
2. Create assessment form that collects grievances expressed by the students, which can either be directly dealt with or forwarded to the concerned authorities etc.
3. Schedule regular meetings with students to keep yourself updated on their issues, progress and any suggestions wish to make.
4. Refer students who you may feel require more than general guidance to the Counselling Centre.
5. Students who are irregular, failing to submit assignments on time, keep up with course material, have difficulties making friends and socializing are advised to be referred to the Counselling Centre.
6. Collaborate and cooperate with the Counsellors in regards which may aid in the student's well- being and mental health.
