1.	In the central Government-funded Higher Educational Institutes, please provide the mechanism followed by the Department of Higher Education, Ministry of Education, Government of India, to ensure/track whether the House Rental Allowance (HRA) amount allocated by the Government of India is reaching the PhD Research Scholar's Bank Account or not.	At NIT Meghalaya, the House Rental Allowance (HRA) is applicable to married Ph.D Scholars (as no Institute Hostel facility as there for married). Hence, the HRA amount is paid through broader government financial systems (notably PFMS) to the Ph.D Scholar's Bank Account.
