Greetings, members of the Committee,

27

As an Indian citizen, I would like to let you know that I am making every effort to serve my country in whatever capacity I see fit. Please allow me to introduce myself, esteemed sir or madam. My name is Dr. Sunita Warjri, and I'm from the Khasi Tribe (ST). I was born and raised in Shillong, Meghalaya. I have finished my 10th-grade education and earned a diploma in computer science and engineering as well as a B.Tech, M.Tech, and Ph.D. (Nov 2022). Currently working as Assistant Professor at MIT-WPU, Pune.

Being a professor has always been my dream job. I'm doing everything I can to secure a professorship in any organization after receiving my Ph.D. I left my home state to obtain valuable experience at other colleges, for making me better qualified in any positions that becomes available in any universities (especially at Meghalaya).

I would like to notify you that, in accordance with the advertisement, I have submitted my application to NIT Meghalaya for the position of Assistant Professor. However, my name was not included on the short list for the positions I applied. List of the applied post are:

1. POST ADVERTISEMENT / REFERENCE NUMBER#

NITMGH/ES/REC/F/Vol.II/2023-24/1488 Dated 25.09.2023 Application Number: NITM-2023-979-2934 Applying for Post: Assistant Professor (Grade-II) [Pay Level 11 of Pay Matrix (7th CPC)] Applying for Department: Computer Science And Engineering

2. FACULTY RECRUITMENT 2023 POST ADVERTISEMENT / REFERENCE

NUMBER# NITMGH/ES/REC/F/VOL.II/2023-24/410 DATED 29.05.2023 Application Number: NITM-2023-6203 Applying for Post: Assistant Professor (grade-ii) (on Contract) (pay Level 10 Of Pay Matrix (7th Cpc)) Applying for Department: Computer Science And Engineering

3. POST ADVERTISEMENT / REFERENCE NUMBER#

NITMGH/ES/REC/F/VOL.II/2023-24/410 DATED 29.05.2023 Application Number: NITM-2023-4783 Applying for Post: Assistant Professor (grade-ii) (pay Level 11 Of Pay Matrix (7th Cpc)) Applying for Department: Computer Science And Engineering

Consequently, I wanted to let you know that I also sent an email to NIT Meghalaya as well. But after emailing the distinguished registrar about this, I am not pleased with her response. The reply from NIT Meghalaya was as follows:

Dear Dr. Warjri,

Your candidature was not recommended by the Screening Committee based on the following criteria:

- 1. Pay Level 11 was not advertised for external candidates.*
- 2. For Pay Level 10, Grade 1 (contract), the shortlisting criteria required a consistent first-class performance from Class 10 to Post Graduate.*

For further clarification, please feel free to contact us at faculty_recruitment@nitm.ac.in.

*Regards,
Registrar (i/c)*

I'd like to let you know that I applied in accordance with the Minimum Qualification and Experience requirements stated in the job posting seen on the NIT Meghalaya website.

Respected Sir or Ma'am, according to them I was not selected for the interview since I received a second division in my class 10. However, I have made every effort to meet the requirements for the job. Why can't I show up for the interview, wasting all of my hard work? Furthermore, how can receiving a second division prevent me from advancing in my career, I have other personal issues, and I come from a low-income background and have worked hard to get till here?

These things are having a major mental impact on me.

If my class 10 records are excluded, the institute at least has the option to view my other higher education as a necessary qualification need. My class 10 percentage shouldn't, in my opinion, disqualify me from consideration for the position.

After class 10, I would like to highlight my educational background:

diploma (64%),

B.Tech (70%),

M.Tech (77%), and

Ph.D (<https://scholar.google.com/citations?user=Z9ruBqsAAAAJ&hl=en>).

As you can see, I achieved first division in all of my academic records after my class 10th grade. For this reason, I humbly ask that you, Sir or Madam, please assist me. So, I and other deserving youth can get a job.

I have total faith in you to solve this issue. Do let me know if any document is needed from my side. Awaiting your reply

Thanking you

Dr. Sunita Warjri
