ANNEXURE A

Rajya Sabha Unstarred Question No. 3061 for 30.03.2022 regarding "Procedure for conducting mental health studies among students".

3061. SHRI SURESH GOPI:

Will the Minister of EDUCATION be pleased to state:

(a) whether an approval from an Ethical Committee or an Institutional Review Board of the concerned institution is necessary to conduct mental health studies among school and college students, using sensitive psychological questionnaire and others to probe anxiety, depression and suicidal tendencies among them, and

Reply of NIT Meghalaya: The National Institute of Technology Meghalaya has a Physical and Mental Health Well-being committee where the Students are provided with all Academic support, online class, Mental Fitness, Physical Fitness counselling and other assistances. The students are advised to fill up the Google spreadsheet which is circulated via their Faculty Advisors. The students are then required to fill up the values in ratings on a scale of 1-5. The rating/scale are defined as follows:-

Rating 1- Poor

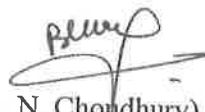

Rating 3- Average

5- Satisfactory.

After filling up of the data by the students, the compilation of data is generated and a report is assimilated whereby the committee takes corrective measures upon the responses from the concerned students.

(b) if so, what disciplinary action the researchers who conduct the survey would have to face and what penalties would be imposed on them if such studies are done without approval of these committees?

Reply of NIT Meghalaya: All type of Academic, Mental fitness and Physical Fitness counselling are done with the approval of ethical committee.

Sub: - Implementation of Central Educational Institutions (Reservation in Teacher's Cadre) Act, 2019 in Central funded Technical Institutions (CFTIs) - reg.

Ref: - Email received by the Institute dated 19.07.2021.

Sir,

Please refer to your mail dated 22.07.2021 which is regarding Implementation of Central Educational Institutions (Reservation in Teacher's Cadre) Act, 2019 in Central funded Technical Institutions (CFTIs).

In this connection, this is to inform that Implementation for the provisions of the Central Educational Institutions (Reservation in Teacher's Cadre) Act, 2019 in Central funded Technical Institutions (CFTIs) was adopted by the Board of Governors (BoG) of the Institute in its XXVth Meeting held on the 09.12.2019 vide Resolution No.: BoG/XXV/2019-11.

However, the suggestions made by the JS&FA for smooth and uniform implementation of the CEIs Act 2019(Reservation in Teachers' Cadre) in CFTIs vide O.M.F.No.15-4/2020-TC dated 10.02.2021 may be difficult to implement in NIT Meghalaya due to the following reasons: -

1. Para 3(2) of letter F. No. 33-3/2018-TS.III dated 5th November 2019 issued by the Ministry of Education states that "for the purpose of reservation of posts, a Central Educational Institution shall be regarded as one unit".
2. Para 6 of letter F. No. 33-3/2018-TS.III dated 5th November 2019 issued by the Ministry of Education states that "as per provisions under the Act, the Institutes are required to maintain their rosters according to the strength of the teachers' cadre. The NITs/IIEST while continuing with the prevailing flexible faculty structure, shall provide for the reservation of posts in appointments by direct recruitment", which is currently being followed by NIT Meghalaya for the 78 Sanctioned Faculty posts.
3. The 78 Sanctioned Faculty Posts allotted to the Institute by the Ministry were not segregated out as Professors, Associate Professors, Assistant Professors (Grade I), Assistant Professors (Grade II) Level 11 and Assistant Professors (Grade II) Level 10.
4. The Institute follows the 4- Tier Flexible Faculty Structure as directed by the Ministry vide letter F.No.33-9/2011-TS.III dated 30.11.2017 whereby a formula is provided for computing the "normal faculty strength" in any department. The distribution of faculty positions among the departments will be flexible to dynamically maximize the number of faculty in position at any given time.

5. The Institute also follows subsequent orders and correspondences received from the Ministry, in this regard.

In view of the above, advice may be given by the Ministry to overcome the above-mentioned difficulties so that the suggestions of the JS&FA may be implemented not only in NIT Meghalaya but in all other Institutes following the 4-Tier flexibility faculty recruitment structure.

Lok Sabha Unstarred Question No. 1082 for 26-07-2021

- A) Whether the Government has taken note of the problems faced by the students of engineering and other practical courses in gaining practical knowledge in the online mode of education:**

NIT Meghalaya has taken note of the problems faced by the students in gaining practical knowledge in the online mode of education.

- B) If so, the details thereof:**

- i) Recorded videos on experiments from the lab are shared with the students during the online laboratory class and the step by step process is explained by the Course Instructor.
ii) To get the feel of the lab, the students are also shared links of virtual labs.
iii) At the end of the online lab class, the students submit their reports for evaluation.
iv) The students are also evaluated based on the experiment related questions asked by the Course Instructor during the class.

- C) The steps taken or proposed to be taken by the Government to assure jobs for the upcoming work force if they have negligible practical knowledge which would have been imparted in regular offline classes**

Practical knowledge gained by the students through online mode in NIT Meghalaya was adequate and has not adversely impacted the recruitment of the students.

- D) The data of the jobs acquired by the engineering students in the last five years**

The data of the jobs secured by the engineering graduates in the last 5 years is tabulated below:

Graduation year	Total no. of students	No. of students placed	Overall percentage of students placed	No. of job offers	Highest package (in LPA)	Average Package (in LPA)
2017	125	57	45.6 %	100	11.80	5.36
2018	129	60	46.5 %	81	17.30	6.59
2019	107	63	58.9 %	109	19.20	6.35
2020	116	59	50.9%	106	55.72	5.91
2021*	120	53	44.2%	81	25.00	6.62

*Recruitment of the students graduated in 2021 is still ongoing.
