Query no. (c) the manner in which the impediments in the selection process of students are being removed by these private institutions, company-wise;

Response: In order to remove the impediments in the selection process of the students, a lot of emphasis is given for the overall grooming of the students with the help of different upskilling programs organized by our Institute. The focus remains to improve the soft skill sets (viz. communication, managerial, team working, leadership etc.) required to work in the industry. The programs cover the different aspects of verbal, quantitative aptitude, logical reasoning, GD, PI, resume writing etc. Employability Assessment tests are conducted periodically as an employability check-up and based on the evaluation report efforts are made to improve the overall performance of the students. To bridge the gap between academia and industry, the institute promotes industry academia interface to acquaint the students with the latest industry trends and emerging cutting-edge technologies. All the requisite infrastructure, logistics and hospitality of the recruiting panel members are being provided by the institute for smoothly conducting the recruitment process. For

carrying out the placement related activities through online modes specially during difficult times like any pandemic outbreak, the facilities for remotely conducting the recruitment test have been upgraded, facilitating interviews through several platforms on audio-visual modes.

Query no. (d) the other reformative measures being taken by Government in the field of education and

Response: Various measures are being taken to improve the skill sets of the students. The institute encourages and facilitates the internship program for the students in various organizations of repute to widen their exposure and knowledge domain. The internships are mostly allowed during the vacation period for a period of 6 to 8 weeks. From the current 8th semester, B.Tech students are also allowed to go for long term internship of 6 months duration, which has high chances of getting converted to a job offer subject to the performance of the student during the internship period. The students at our institute, undertake research-oriented and industry relevant projects to give them the outlook for innovation. Interdisciplinary projects are also undertaken by the students to widen their knowledge domain beyond respective department level. With renewed focus on outcome-based education, the course curriculum is designed innovatively and updated regularly to meet the needs of the changing and evolving industrial sectors and socio-economic scenario. Furthermore, the students are offered to choose from a variety of elective courses to cater to their specific needs.

Query no. (c) the manner in which the impediments in the selection process of students are being removed by these private institutions, company-wise;

Response: In order to remove the impediments in the selection process of the students, a lot of emphasis is given for the overall grooming of the students with the help of different upskilling programs organized by our Institute. The focus remains to improve the soft skill sets (viz. communication, managerial, team working, leadership etc.) required to work in the industry. The programs cover the different aspects of verbal, quantitative aptitude, logical reasoning, GD, PI, resume writing etc. Employability Assessment tests are conducted periodically as an employability check-up and based on the evaluation report efforts are made to improve the overall performance of the students. To bridge the gap between academia and industry, the institute promotes industry academia interface to acquaint the students with the latest industry trends and emerging cutting-edge technologies. All the requisite infrastructure, logistics and hospitality of the recruiting panel members are being provided by the institute for smoothly conducting the recruitment process. For

carrying out the placement related activities through online modes specially during difficult times like any pandemic outbreak, the facilities for remotely conducting the recruitment test have been upgraded, facilitating interviews through several platforms on audio-visual modes.

Query no. (d) the other reformative measures being taken by Government in the field of education and

Response: Various measures are being taken to improve the skill sets of the students. The institute encourages and facilitates the internship program for the students in various organizations of repute to widen their exposure and knowledge domain. The internships are mostly allowed during the vacation period for a period of 6 to 8 weeks. From the current 8th semester, B.Tech students are also allowed to go for long term internship of 6 months duration, which has high chances of getting converted to a job offer subject to the performance of the student during the internship period. The students at our institute, undertake research-oriented and industry relevant projects to give them the outlook for innovation. Interdisciplinary projects are also undertaken by the students to widen their knowledge domain beyond respective department level. With renewed focus on outcome-based education, the course curriculum is designed innovatively and updated regularly to meet the needs of the changing and evolving industrial sectors and socio-economic scenario. Furthermore, the students are offered to choose from a variety of elective courses to cater to their specific needs.

ANNEXURE I

PARLIAMENT QUESTION: IMMEDIATE-Rajya Sabha Unstarred Question No. 1618 to be answered on 21.12.2022 regarding Faculty Recruitment in CFTIs

Sl.no	Query	NIT Meghalaya reply
a.	details of the advertisements for teaching faculty recruitment released by each Centrally Funded Technical Institutions (CFTIs) since September 5, 2021;	NIL*
b.	number of posts advertised in each of these advertisements by CFTIs, along with their social category-wise and cadre-wise distribution;	NIL*
c.	number of eligible applications received for each department of the CFTIs, candidates who attended interviews and candidates selected for each of these advertisements, along with their social category-wise and cadre-wise distribution; and	NIL*
d.	details of CFTIs who have not prepared separate reservation rosters for each cadre in accordance with Central Educational Institutions (CEI) (Reservation in Teachers' Cadre) Act-2019, along with reasons therefor?	Not applicable to NIT Meghalaya

*The latest advertisement for the vacant faculty positions in the Institute was advertised vide Advt.No.NITMGH/REC/F/2020-21/332 dated 13.07.2021 and the last date for receiving the hard copies was 15.09.2021. However, the recruitment could not be completed due to the following reasons:-

1. COVID 19 Pandemic: The screening of the applications could not be completed in 2021 as most of the faculty who were members of various Department Screening Committees were tested positive with the virus.

2. Visitor's Nominees for Faculty Recruitment term: The term for the Visitor's nominees for faculty recruitment was valid till the 30.03.2022 and the extension of their term was received by the Institute only on 29.04.2022.

3. Tenure of the incumbent Director: The incumbent Director has completed a period of 5 years on the 17.05.2022 which was extended by the Ministry till the 30.06.2022. Subsequently, the Ministry has further extended the term of the incumbent Director till the 31.12.2022 or until a regular Director joins the Institute, whichever is earlier.
