I would like to request information regarding the following questions:		
Sl.no	RTI Query	NIT Meghalaya
1.	What are the criteria for doing part-time Ph.D (during the period 2014-2018) by a contractual staff (technical assistant) as per ordinance of NIT Meghalaya?	As per ordinance of NIT Meghalaya, there is no specific criteria for doing part-time Ph.D (during the period 2014-2018) by a contractual staff (technical assistant) .
	Also, for such candidate doing part time Ph.D as well as serving as a contractual technical staff in the same department/ institute, kindly specify:	Please refer to the above reply.
	a) The minimum duration for doing/completing a Ph.D course work and comprehensive examination.	a) PhD course work – 1 year b) PhD comprehensive examination - Approximately 3 months after completing course work
	b) Leave rules, No Objection Certificate etc required for doing the Ph.D course work.	Leave rules are not defined for part time PhD scholars as they visit the Institute as and when required after taking leave from their organisation. For part time candidates, NOC is not required for doing the PhD course work as it is in self-guided mode. They have to appear for the end semester examination as and when notified by the Institute. Only before a candidate is admitted into the PhD Programme of NIT Meghalaya, the candidate has to produce an NOC from their parent Institute.
	c) For a candidate who changed from a regular Ph.D to a part time Ph.D, on joining as a contractual technical staff before completing Ph.D course work, does the above mentioned rules are same? If different please specify.	Not applicable, as per PhD norms, a full time PhD scholar can convert to Part Time category only if/she is going for a superior job and have completed one year after the PhD registration. The pre-requisites to be eligible for the PhD registration is to successfully clear the course work, comprehensive examination and complete one year from the date of enrolment.
2.	As per ordinance of NIT Meghalaya, is it possible that a part-time Ph.D done by a contractual staff (technical assistant) may be certified as a Ph. D done in regular mode? If yes, please specify the terms and conditions.	No
