SUMMARY OF THE JUDGMENT OF THE HON. SUPREME COURT DELIVERED ON THE 8th MAY 2009.

1. The Hon. Supreme court ordered that a number of recommendations made by the Bhargava Committee be implemented immediately. These included

- Confidence building measures such as appointment of counsellors, arrival of senior students a week or two weeks after the Juniors have arrived; joint sensitization programmes; joint orientation programme of 'freshers' and 'seniors' to be addressed by the principal/Head of the institution; organization on large scale of cultural, sports and other activities; make provisions for faculty members to dine with the hostel residents in their respective hostels etc.
- Every institution must have an Anti-Ragging Committee and an Anti-Ragging Squad. There should be a Monitoring Cell on Ragging at the University Level that would coordinate with the affiliated colleges and institutions under its domain. There should be a Monitoring Cell at the level of the Chancellor of the State Universities.
- In the light of the increasing number of private commercially managed, lodges or hostels outside campuses, such hostels and management must be registered with the local police authorities and permission to start such hostels or register them must necessarily be recommended by the Heads of educational institutions. It should be mandatory for both local police, local administration as well as the institutional authorities to ensure vigil on incidents that may come within the definition of ragging.
- Wardens must be accessible at all hours and therefore it is important that they, be available on telephone and other modes of communication. Similarly, the telephone numbers of the other important functionaries - Heads of institutions, faculty members, members of the anti-ragging committees, district and sub-divisional authorities and state authorities where relevant, should also be widely disseminated for the needy to get in touch or seek help in emergencies.

- The educational institutions shall ensure that each hostel should have a full-time warden who resides within the hostel, or at the very least, in the close vicinity thereof.

2. The Hon. Supreme Court acknowledged that The Ministry of Human Resource Development, Government of India, in consultation with UGC, MCI, AICTE and other similar regulatory bodies was in the process of setting up a central crisis hotline and anti-ragging database in the manner suggested by Dr. Raj Kachroo. The Hon. Court, however, added that

- The task of monitoring the database be given to a nongovernmental agency, to be immediately nominated by the Union of India to build confidence in the public and also to provide information of non-compliance to the regulatory bodies and to the Registrar Committee.
- The database shall be created out of affidavits affirmed by each student and his/her parents/guardians, which affidavits shall be stored electronically, and shall contain the details of each student.
- The database shall also function as a record of ragging complaints received, and the status of the action taken thereon.

3. The Hon. Supreme Court ordered that Regulations on Curbing the Menace of Ragging, formulated by the UGC, must be adopted by all other regulatory bodies, such as AICTE, MCI, DGI, NCI etc.

4. The Hon. Supreme Court acknowledged that the incident involving the death of Aman Kachroo clearly indicated that the formulation of guidelines and regulations was not sufficient. Hence, the Hon. Court ordered that such regulations shall have to be enforced strictly, and penal consequences for the heads of the institutions/administrators of the institution who do not take timely steps in the prevention of ragging and punishing those who rag. In addition to penal consequences, departmental enquiries be initiated against such heads institutions / members of the administration / faculty members / non-teaching staff, who display an apathetic or insensitive attitude towards complaints of ragging.

5. The Hon. Supreme Court said that not only the students, but also the faculty must be sensitized towards the ill of ragging, and the prevention thereof. Non-teaching staff, which includes administrative staff, contract employees, security guards etc., have also to be regularly sensitized towards the evils and consequences of ragging.

6. The Hon. Supreme Court ordered that the Principal or Head of the Institution/Department shall obtain an undertaking from every employee of the institution including teaching and non-teaching members of staff, contract labour employed in the premises either for running canteens or as watch and ward staff or for cleaning or maintenance of the buildings/lawns etc. that he/she would report promptly any case of ragging which comes to his/her notice. A provision shall be made in the service rules for issuing certificates of appreciation to such members of the staff who report ragging which will form part of their service record.

7. The Hon. Supreme Court said that it was necessary that parents/guardians of freshers assume responsibility for promptly bringing to the notice of the Head of the Institution any instance of ragging.

8. The Hon. Supreme Court said that the SHO/SP, within whose jurisdiction a particular college falls, shall be responsible for ensuring that no ragging takes place on the campus of the concerned college, and to effectively deal with incidents of ragging, should any such incidents take place. Once a central database/crisis hotline is made operative then as soon as SHO/SP, within whose jurisdiction a particular college falls, is contacted by the crisis hotline staff, then such SHO/SP shall deal effectively with the incident and cooperate and communicate with the crisis hotline staff and/or the independent monitoring agency. This will build confidence and encourage people to report incidences of ragging without fear or delay.

9. The Hon. Supreme court said that once the database/crisis hotline is operative, State Governments shall amend their anti-ragging statutes to include provisions that place penal consequences on institutional heads.

1.	With due respect, I want to know 5% relaxation is applicable for SC/ST applicants while recruiting an Assistant professor at NIT Meghalaya. As per MIBED Clarifications and Recruitment rules for faculty minimum eligibility criteria given as Ph.D. should award and first class at preceding degrees (Graduation and post-graduates). But in the official notification, Reservations will be as per Government of India norms. Kindly Let me know 5% applicable or not for Faculty recruitment. (Reservation rules are applicable or not for Faculty recruitment)	As per DDOPT O.M.No.36011/84-Edt. (SCT) dated 29.05.1983 the minimum educational standard, whenever prescribed in the recruitment rules, is to be treated as part of the educational qualification, and since there is no relaxation permitted in favour of Scheduled Caste and Scheduled Tribes with regard to educational qualification, no relaxation is consequently admissible in the matter of educational standards as well.
2.	With due respect, I want to know the 5% relaxation is applicable for minimum eligibility criteria for Assistant professor posts for SC/ST students at NIT Meghalaya. As Mentioned in NIT recruitment Rules, Ph.D. is mandatory and First class in the preceding degrees also mandatory. In the advertisement mentioned, Reservations will be as per Government of India norms. Request to consider the 5% relaxation for SC/ST applicants. 1.	I would like to know why there was no seat reserved for SC and EWS candidates for the posts of Non-Faculty positions in NIT Meghalaya advertised via advertisement number Advt. No.: NITMGH/ES/REC/N-F/Vol.IV /2019-20/2197 Date 14.02.2020 whereas other NITs provided reservation for all categories in similar posts?	For appointments in Gr. B & Gr. C NIT Meghalaya follows the reservation roster in a 200 point roster for the State of Meghalaya as per DoPT O.M. No.36012/22/93-Estt.(SCT) dated 29.12.1993.  The posts advertised were vacancies that arose from those posts sanctioned for the year 2017-18 before implementation of the EWS reservation by the Government of India. NIT Meghalaya has not received any new sanctioned posts since 2017-18.

Hence, when a student drops from the programme, the only amount refunded is the Hostel Mess Advance (after adjustments, if any).  The caution deposits paid by the students are refundable only after successful completion of the programme and the same has been implemented after a decision made in the Senate Meeting, vide Resolution Number: R7(a)/SENATE-XX/19, dated 16-12-2019 and subsequently amended vide resolution no R7a(i)/SENATE-XXVI/21.

1.	Why did my admission for PhD Mathematics department cancelled?	1. As per NIT Meghalaya academic ordinance, students who secured less than 6.5 CGPA are deemed to have passed in second class. 2. Subject - Complaint against NIT Meghalaya for not refunding the following:  
1- Caution money which was paid during admission.  
2-Book fair money which was paid in the last 3 semesters but no book fair happened due to covid.  
3-Gate application form fee refund.

Respected Sir,  
I would like to draw your kind attention to the refund issue as my batchmates are facing. We graduated in June 2021 from NIT Meghalaya. As per the senate meeting, we were supposed to get a refund within 3 months from the date of application. We applied for the refund in August 2021 and since then 6 months have passed, we have sent multiple emails to authorities but there has been no reply.  
During our admission, we had submitted an amount of Rs 10,000 as caution money which was to be refunded upon completion of the course.  
In our semester fee, we were compelled to submit book fair money and buy books and for that, we were charged Rs 1,000 per semester. Since our college was conducted online due to Covid for the last 3 semesters, no book fair was held and we were told this amount will be refunded. Also, there was some previous book fair amount balance depending on the last purchase of the student. This whole amount adds up to Rs 4000 approximately.  
Lastly, our training and placement cell informed us that if any student appears for the Graduate Aptitude Test in Engineering (GATE) examination, their application form fee will be refunded which is Rs 1,500.  
There had been no communication for the above 3 refunds pending by the college although we have cleared all our dues. This is such an unprofessional act from an institute of national importance. I request you to kindly look into the matter so the refund can be processed or else we may know the reason why it has been not processed yet.

Sincerely,  
Saraah Yadav

Generally, it takes few months for processing as the reports prepared by the Academic Section has to be cross verified by the Chief Warden and the Asst. Librarian. As per the senate meeting, we were supposed to get a refund within 3 months from the date of application. We applied for the refund in August 2021 and since then 6 months have passed, we have sent multiple emails to authorities but there has been no reply.</p> <p>During our admission, we had submitted an amount of Rs 10,000 as caution money which was to be refunded upon completion of the course.</p> <p>In our semester fee, we were compelled to submit book fair money and buy books and for that, we were charged Rs 1,000 per semester. Since our college was conducted online due to Covid-19 for the last 3 semesters, no book fair was held and we were told this amount will be refunded. Also, the was some previous book fair amount balance depending on the last purchase of the student. This whole amount adds up to Rs 5,300 approximately.</p> <p>Lastly, Our training and placement cell informed us that if any student appears for the Graduate Aptitude Test in Engineering (GATE) examination, their application form fee will be refunded which is Rs 1,500.</p> <p>There had been no communication for the above 3 refunds pending by the college although we have cleared all our dues. This is such an unprofessional act from an institute of national importance. I request you to kindly look into the matter so the refund can be processed or else we may know the reason why it has been not processed yet.</p>	<p>1 &amp; 2) Caution Amount including Book Purchase Refund:</p> <p>With reference to the Notification no. NITHG/AA/Senate Notifications/2021-22/193 dated 20/09/21, point(i-ii), all the claims for refund of caution deposit money shall be entertained only after the Convocation (which was held on 1<sup>st</sup> Oct 2021 last year) but within six months from the date of the Convocation, failing which the amount will be forfeited.</p> <p>Generally it takes few months for processing as the reports prepared by the Academic Section has to be cross verified by the Chief Warden and the Asst. Librarian. Further, due to the on-going pandemic protocols, the sections also had to function with lesser staff in between which extended the filing process.</p> <p>The Academic Section has already processed the eligible refundable amounts from Caution Refund and Book Purchase of the passed out students in bulk for all the applications received till February 2022. The same would have been credited to the respective account holders by now.</p> <p>3) Gate application form fee refund.</p> <p>Neither any official request nor any claim has been received with regards to the refund of GATE examination application fee, within the applicable time period.</p>
