OBJECTIVES

The National Education Policy 2020 is envisioned for the paradigm shift in the entire education system of India to meet the needs of the 21st century and empower learners with the skills and knowledge required for success in a rapidly changing world. NIT Meghalaya is organizing a one-day workshop on NEP 2020 on the 11th of December 2023 with the aim to energize the faculty for adapting to the new challenges and with the vision of engaging academic fraternity in meaningful assignment along with spreading awareness regarding NEP which will contribute towards the intellectual wealth of the nation. The workshop is open to all.

ABOUT NIT MEGHALAYA

The National Institute of Technology Meghalaya, established in 2010 under the NIT Act 2007 as an institute of National importance, is one among the thirty-one NITs in India. The vision is to develop it as an institution vibrant with academic activities and bubbling with youthful creative energy. Despite being a new institute, NIT Meghalaya boasts of exceptional teaching, learning and research credentials and has featured with the top 100 ranked engineering institutes of the nation consistently in NIRF, since its inception in 2016. The institute has been ranked 72nd position in the engineering category by NIRF 2023.
