

Rolling Advertisement for Professor of Practice at National Institute of Technology Meghalaya,

National Institute of Technology Meghalaya, an Institute of National Importance, invites Professor of Practice positions from Reputed Industries and R&D Institutions, to promote excellence and leadership in teaching and research as well as to facilitate wider and deeper interactions of NIT Meghalaya faculty, students, and researchers in all the specialization across all departments. Highly motivated and dynamic industry personnel, having commitment and passion to quality teaching and potential for pursuing cutting-edge research are encouraged to apply.

Modes of engagement, eligibility, duration, honorarium and allowance:

1. Professor of Practice (Professor/ Assoc. Professor/ Asst. Professor) Categories of Engagement.

- i) Funded by Industries
 - ii) Funded by the Institute
- a) Objective: Eminent persons from the industry or R&D organisations can be engaged as Professors of Practice, who would be expected to spend full time in the Institute, help to enrich the experience of students by bringing deep understanding and appreciation of the best practices as applied in real world settings in a particular field of study. Additionally, they would help promote the integration of academic scholarship with the practical experience of professionals in a given field.
 - b) Duration of the assignment: 1 year, can be extended up to 3 years, or up to the age of 70 years, whichever is earlier.
 - c) Eligibility: Candidates should have reasonable (minimum 15) years of technical, managerial, or professional experience. They should have at least a bachelor's degree in engineering/architecture/design/medicine or master's degree in sciences/Humanities/Management/Education/Law or related fields. Ph.D. is desirable but not essential. Depending on the years of experience, the person may be offered the position of Professor/Associate Professor/Assistant Professor of Practice. Retired persons from industry/ R&D organisations also will be considered. Professor of Practice posts are not open for those who are in teaching profession.
 - d) Honorarium: Consolidated amount, mutually agreed between the Institute and the Expert.
 - e) Accommodation will be provided.

2. Selection Process:

All positions shall be appointed by the Director based on the recommendations of the duly constituted screening cum selection committee. All are short term contract positions only, initially for a period of 01 (one) year, extendable for a total period of 03 (three) years, or up to the age of 70 years, whichever is earlier. The extension shall be based on performance and on the recommendation of the committee. Reputed scientists, engineers, physicians, civil servants, technocrats, financial experts, entrepreneurs, architects, managers, experts in media, literature, fine arts, legal profession, public administration, armed forces, designers and other professionals, can be considered for the above faculty positions based on the eligibility as mentioned above. Director has the right to consider applications of exceptionally good candidates not falling in the above-mentioned criteria. Persons appointed as Professor of Practice will have no right or claim for regular appointment or continuation of the post in NIT Meghalaya, other than the terms specified above. The Director has the right to terminate the positions at any stage, under extreme circumstances.

Interested candidates may mail their Curriculum Vitae to Dean (FW) at dean.faculty@nitm.ac.in, with specific mentioned about contributions made to industry, training, research, design, projects, etc. This may include a brief teaching and research statement for NIT Meghalaya.
