Ref. No. NITMGH/ES/NOT/Vol-IV/2021-22/ 530

Date: 24 .08.2021.

**OFFICE MEMORANDUM**

This is to notify that the Competent Authority is pleased to announce the following schemes with a view to benefit the faculty members, research scholars and entrepreneurs in the Institute:

1. In order to promote research activities such as publishing more papers, filing patents and securing sponsored projects, the number of PhD students allotted per faculty from the Institute Fellowship will be increased. From the next PhD admission, the faculty members who have on-going sponsored research projects will be allowed to take one additional PhD scholar over and above the two PhD scholars from the Institute Fellowship.
2. The Institute has established the National Institute of Technology Meghalaya Foundation for Innovation and Technology Incubation (NITMFITI) which is a Section 8 company, i.e. a non-profit making company. It has been registered as an independent company with an initial set of independent Directors. With effect from January 2022, regular faculty members, students, staff and alumni will be permitted to start or host a start-up under the NITMFITI. By this one can have his/ her job as a faculty or a student or a staff or an alumnus and at the same time s/he can also be an owner or a partner of a company. The Institute will provide all sorts of infrastructure to promote such start-ups, like providing space and other amenities including ICT, Library and free access to laboratories.

This issues with approval of the Director and will come into force as stated above and until further orders.

  
(B. N. Choudhury)  
Registrar

Copy to:
